

Certified Emotional Intelligence Coach Training Program

GET THE BEST EMTIONAL INTELLIGENCE COACH TRAINING

GENERAL PROGRAM VISION AND GOALS

As a Certified Emotional Intelligence Coach, you help your client to remove roadblocks such as fear, procrastination, perfectionism, and through subsequent sessions. You hold your clients accountable for remaining on the path to success. As a coach, it is all about Emotional Intelligence. This program aims to enhance coaching skills by learning emotional intelligence and its application in coaching. Participants will learn to apply EI skills in their current profession, business and coaching practice.

*"It takes something more than intelligence to act intelligently".
- "Fyodor Dostoyevsky"*

Learning goals

The goal of Certified Emotional Intelligence Coach program is to equip learners with essential EI skills and advance coaching skills to effectively facilitate human behavior change through Emotional Intelligence coaching tools and techniques. This program is of great value for coaches and corporate professionals.
